29 JUNE (FRI) - 1 JULY (SUN)

at JCube, Level 1 Atrium
(next to McDonald's)

10AM
TO
10PM

“FREE EVENT AND OPEN TO EVERYONE!”

T32 Dental Group SMILES FOR LIFE makes dentistry fun through educational programmes that teach both parents and kids the importance of dental care.

Join us this weekend to learn more about oral hygiene for the entire family and how we can start committing to keep your smile healthy!

29 JUNE 2018, FRI

4.30PM – 5.30PM

For kids aged 3 – 12

“TIMMY VISITS THE DENTIST”

(Storytelling and photo opportunity with Timmy the Mascot)

Authored by T32's in-house pedodontist, this show and tell educates children on the importance of dental health, helps to build their confidence and eliminate their fear of seeing dentists.

BE A DENTIST DAY

Your child will learn more about dental health and oral hygiene through fun activities. Let your child dress-up as a dentist and play at our dental themed game stations which include colouring activities and video games!

6.30PM – 7.30PM

“DENTAL IMPLANTS OR DENTURES – WHICH IS BETTER FOR YOU?”

by Dr Adrian Goh

(Talk will be conducted in Mandarin)

Find out how dental implants can improve the quality of your life. Dr Adrian Goh, dental surgeon at T32 Dental Pearl @ Jurong, will share about the options available to people considering dentures and dental implants.
